

DNA SEAT

REDECORATE YOUR AIRCRAFT

With this solution Embraer makes it possible for Phenom 300 customers to upgrade their P300 seats with brand new Embraer DNA Seats.

The new DNA seat, is not only bringing a new beautiful design and feeling to your aircraft, it also features broader backs for greater support, extendable headrests with bolsters, retractable armrests for cabin space improvement, and extendable leg rests for improved ergonomics.

The seat comes with more customization options and ease of maintainability.

Ask your Embraer Service Center to learn more about the variety of customization that is offered.
